CLARKE
Power Services

For more than 55 years, the Clarke Power Services team has focused every day on delivering one goal: provide outstanding value by consistently completing each job and filling each order the first time, on time and at the quoted price while maintaining clear communication.

Proud to be an authorized service center for Detroit Diesel, Allison Transmissions, Vehicare Fleet Solutions, MTU, Perkins Engines, Mercedes-Benz truck engines, WheelTime, and now Jarraff Industries, Clarke Power Services offers 23 full-service shops and more than 150 mobile trucks across nine states

Our expert team provides all makes and all models a one-stop shop for both individual and comprehensive repairs, with each location featuring a full inventory of parts for on-highway and off-highway trucks. With customizable solutions and superior customer service, Clarke Power Services keeps commercial vehicle assets operational and equipment life cycle on-track.

Visit www.clarkepowerservices.com and enter your zip code or state to find the service center near you. **Many Clarke Power Service mobile trucks are also stationed through the region.**
